## Parents,

If we can get every Bovina Giant parent to commit just 2 hours to helping out, we can do amazing things for the children at our school. Any help makes a huge difference for our school. The research is so clear- children at schools with a broad base of involved parents perform remarkably better on all kinds of key school measures. If you would like to do more than just two hours, GREAT, but we know that's not for everyone. Together, we all make a huge difference at our school and for the future leaders of the world, our children.
